

COMMISSIONER OF PUBLIC TRANSPORTATION

DISTINGUISHING FEATURES OF THE CLASS: The work involves responsibility for planning, preparing, implementing and evaluating a comprehensive public transportation service system. An incumbent is responsible for overseeing the administration and operation of a safe and efficient transportation system suitable to the needs of the county. Work is performed under the general direction of the County Executive or designee with wide leeway allowed for the exercise of independent judgment in carrying out the policies and objectives of the department. Supervision is exercised over the work of all department employees. Does related work as required.

TYPICAL WORK ACTIVITIES:

Directs various technical and clerical personnel in performing the following: maintenance, operations, funding, and planning;
Administers general operational scheduling of the transportation systems;
Administers transit operating assistance contracts with all county sponsored private operators;
Participates in collective bargaining negotiations with Amalgamated Transit Union representatives;
Acts as the County Executive's liaison with all ground transportation providers in Broome County;
Selects personnel and maintains staffing required to meet the needs of the department including hiring, disciplining and terminating;
Supervises the administration of the Coach Operators' road tests, as specified under Section 19A of the New York State Motor Vehicle Traffic Law;
Supervises the investigation and evaluation of all coach accidents and files appropriate reports;
Prepares or oversees the administration of all public relations responsibilities pertaining to the dissemination of information to the public;
Makes recommendations and administers sub-contract work by any private operator in Broome County providing transportation under contract to Broome County;
Determines personnel requirements and is responsible for the appointment of staff in compliance with state laws and local civil service rules;
Oversees the organization and administration of an effective training program for department personnel;
Responsible for the general administration of the Division of Fleet Management;
Sets charges for all services, with legislative endorsement;
Ensures that the department is in compliance with all applicable Federal and State rules and regulations governing the operational functions of the department;
Investigates complaints regarding service and personnel and takes appropriate action;
Participates on the Broome County Surface Transportation Advisory

Board;
Directs and oversees the promotion and advertising of transit system;
Develops and administrators a system safety plan as required by the New York State Transportation Safety Board;
Administers passenger checks and routine Coach Operator checks;
Oversees scheduling of charter operations;
Responsible for the development of the annual budget and the regulation of all departmental expenditures.
