Broome County Sheriff Fred Akshar said, "Thank you to the Town of Fenton, the Hillcrest Community Association and all the organizers this year's St. Patrick's Day parade. We look forward to joining the Hillcrest community for another fun, safe parade this Sunday, and we're asking the community to help us keep it that way. If you're going to be traveling in the area, please plan ahead, take note of the closures and steer clear."

Town of Fenton Supervisor Gary Holcomb said, "The Town of Fenton and more specifically the Hillcrest Community are glad to host this small-town USA St. Patrick's Day Parade. It has become a tradition to follow the Binghamton Parade with another opportunity for participants to show their stuff. Many thanks to the Broome County Sheriff's Office and our neighboring communities for coordinating a safe parade route with as little disruption as possible to non-participants. It looks like a favorable day for the weather, so enjoy the parade!"
