Definitions

MINOR CHILD: A "minor child" is a child who is under 18 years of age or is under 19 years of age and attending secondary school (high school) or an equivalent level of vocational or technical training (for example, a BOCES program). In order for the minor child to be eligible for TANF Services, the minor child must be living with a parent or other relative who is the primary caretaker of the child, or be in foster care with a plan to return home.

PRIMARY CARETAKER: The primary caretaker is the adult relative with whom a minor child lives, if the child does not live with his or her parent. The primary caretaker makes the majority of the decisions about the child's well-being.

NON-CUSTODIAL PARENT: A non-custodial parent is a parent who does not live with or have physical custody of the child, but who is legally responsible for providing financial and medical support to the child.

Who is the applicant for TANF Services?

The person who is requesting TANF Services is the applicant. The information about this person must be included in Section One, Items A and B. When more than one person is requesting TANF Services, an adult family member applying for TANF services must be listed as the applicant. If there is no adult family member applying for TANF services, the applicant should be the oldest child requesting TANF services.

Caretaker Relative Exception

When the primary caretaker of a minor child is a relative who is not the child's parent AND the TANF Services that the family needs are child protective or preventive services, THE APPLICANT FOR THE SERVICES IS THE MINOR CHILD.

These services relate only to enabling the primary caretaker of the child to continue to care for the minor child in the home safely or return the minor child from foster care to the relative's home.

For all other services, the applicant is the person who will actually be receiving the services.

Who are the family members?

All of the following persons **who live with** the applicant are family members and must be included in Section One, Item B:

- the applicant's husband or wife
- the applicant's minor children and their siblings who are also minor children (including half and step-siblings),
- if the applicant is a minor, the applicant's parents and the applicant's siblings who are minor children, and
- the father or mother of any minor children listed above, even if the parent is not married.

Special Rules for Family Members

Children in Foster Care

A child who is in foster care is included as a "family member" if there is a plan to return the child to the home. The above "family member" rules do not apply to children in foster care who apply for TANF Services for themselves. In those cases, the foster child is considered to be a family of one.

Married Minors

- A minor child who is married and is living in the applicant's household is not included as a minor child family member.
- If the minor child who is married is the applicant or the applicant's spouse, the family members do not include the married minor child's parents or siblings.

GROSS INCOME

You must tell us about the current income of the family members that you listed in Section One, Item B. You must provide us with gross income amounts. Gross income means income before taxes and other deductions. Income you must list includes, but is not limited to:

- Wages, salary and tips from work
- Self-employment income (after business expenses)
- Social Security benefits
- Public assistance (Family Assistance, Safety Net Assistance)
- Unemployment compensation
- Workers' compensation
- Supplemental Security Income (SSI)
- Child support payments received
- Alimony received
- Interest payments
- Other recurring income that is not excluded below

Income you should not include

- Earned income of a minor child
- Adoption/foster care payments
- One-time loans, gifts, lump sum payments or other non-recurring income
- Child care subsidy payments

Current Income

Current income is income that has been or is expected to be received in the calendar month of the application for TANF Services, and is expected to continue beyond this month.

or

If your income in the calendar month of application is higher than your regular monthly income, you may provide information based on your annual income (income from the prior twelve months). This annual income must be adjusted for any change in income known or expected to occur. For example, if you recently got a new job, you should include the income from this job to calculate your annual income. You should not include income received in the past that you do not expect to recur.

Immigration Status List *(This list is used to complete Section Two when an applicant for TANF services is not a United States citizen.)*

You will be asked to provide documentation to verify the individual's immigration status. We are asking about your immigration status to determine if you or a family member is eligible for federally funded TANF services. You may be a legal immigrant, but not be eligible for federally funded TANF services. **Note: A family member cannot receive TANF Services unless the family member is a U.S. citizen or is an eligible non-citizen under one of the statuses listed on this page.**
