Our Roles – How We Can Help

The State

Give the go-ahead for each region to move from phase to phase

Issue guidance about which businesses can reopen and when

The County

Communicate that information to businesses in Broome County

Provide the most up-to-date information that we have from the State

Advocate for Broome County business to be opened ASAP

Flattening the Curve in Broome County

What we have done so far:

- Operationalized a response team at our Emergency Operations Center (EOC)
- Filled healthcare requests for PPE
- Issued 11 emergency orders to stop the spread
- Limited travel, closed playgrounds, etc.
- Set up a contact tracing team to monitor spread
- Set up a donation site and collected 750,000+ PPE items
- Distributed thousands of tests to hospitals and congregate care settings
- Distributed thousands of masks to first responders and the public
- Set up over 40 meal sites and distributed 600,000+ meals to students
- Worked with regional leaders to meet criteria for reopening

Reopening in Regions

10 Regional Councils

Southern Tier

Broome, Chemung,
Chenango, Delaware,
Schuyler, Steuben,
Tioga, Tompkins

Meeting the Criteria

METRIC 1

Decline in total net hospitalizations calculated on a 3-day rolling average over a 14-day period
- or -
Few overall cases if net hospitalizations never exceeded 15

METRIC 2

Decline in deaths calculated on a 3-day rolling average over a 14-day period
- or -
Few overall cases if 3-day average of daily hospital deaths never exceeded 5

METRIC 3

Fewer than 2 hospitalizations per 100,000 residents, calculated on 3-day rolling average

METRIC 4

30% of hospital beds available

METRIC 5

30% of ICU beds available
- and -
Hospitals must have 90-day stock of PPE

METRIC 6

30 tests per 1,000 people per month

METRIC 7

30% of ICU beds available
- and -
Hospitals must have 90-day stock of PPE

Each region must have a “control room” that monitors these metrics.

Creating a Plan

Per New York State: “Each business and industry must have a plan to protect employees and consumers, make the physical workspace safer and implement processes that lower risk of infection in the business.”

WHY?

The purpose of the plan is to limit the spread of the disease. If our data fall outside the state guidelines, the State could close our businesses again.

Business Reopening Safety Plan Template

- NY Forward website includes a universal business reopening template
- No approval needed, but must be available in case of an inspection

Procuring PPE

Supply chains for personal protective equipment (PPE) have now stabilized.

We realize that many of you may not have purchased PPE before. The County can provide you with a list of vendors vetted by our Logistics Team that we have had luck with.

It can be found (along with this PowerPoint) on our Broome County webpage for businesses resources:
