BROOME COUNTY SHERIFF'S OFFICE PRESS RELEASE

Free Sheriff's Summer Camp Applications Due April 1st

Camp provides free admission, food, lodging, travel, and activities for local families

(TOWN OF DICKINSON, NY) Do you know a child between the ages of 9 and 12 who, due to economic reasons, won't be able to attend a summer camp or enjoy a summer vacation?

Applications are open for Broome County families in need to send their kids free of charge to the 2025 NYS Sheriff's Summer Camp.

Each year, children from across the state travel to Keuka Lake in Penn Yan, NY to attend the Sheriff's Summer Camp free of charge. The program is fully funded by the New York State Sheriff's Institute and is designed to provide the full camp experience to children between the ages of 9 and 12 who, because of economic reasons, would not have the opportunity to attend a summer camp or enjoy a summer vacation.

County Sheriffs are given a certain number of camper slots for children to attend each summer. There is no cost for families. Food, lodging, travel, and activities are all free and paid for by donations. Youth are provided with athletic, musical, aquatic, recreational, and creative pursuits throughout their weekly camp session.

"This is a unique opportunity for families of Broome County and we want to make sure they are able to take full advantage of it," said Sheriff Fred Akshar. "Not every family has summer camp or a summer vacation in their budget, and the Sheriff's Summer Camp is here to help those families and their children still have the chance to make lifelong memories and unforgettable experiences at a crucial and formative time in their lives. If you or someone you know is a parent facing financial challenges this year, we're urging you to please consider taking part in this outstanding program."

Originally established as the YMCA Camp, “Camp Iroquois,” nearly 100 years ago, New York State Sheriffs have been proud to offer such a fantastic camp experience for disadvantaged youth from all over New York State since 1986. It’s a place where energy, enthusiasm, caring, and dedication create an atmosphere where campers feel included, supported and nurtured.

Sheriff Deputies and Corrections Officers from across the state volunteer their time each year and are essential to the camp’s daily curriculum. Four to six deputies are in residence during each of the six 1-week sessions, with other deputies visiting daily, providing demonstrations on K9 Units, Helicopters, Motorcycles, Horses, Marine Units and more as well as a presentation regarding illicit drugs and alcohol use.

Corrections Officer Tyasia Batiste has volunteered at the Sheriff’s camp for the past 2 years.

“From my very first day volunteering, I fell in love with this camp,” said Batiste. “I bring my son and he loves it, because it’s truly a safe space for kids to grow, explore and keep coming back year after year for more. The first year I volunteered we had 12 campers, the next year we had 50, so I’m excited to see it continue to grow.”

There are two separate weeks that we’ll be sending Broome County children to camp. June 29 – July 5 and August 3 – August 9. If you know a child who could benefit from this, please contact: Records Clerk Pamella Riley at 607-778-6543, by email at Pamella.Riley@broomecountyny.gov, or stop by the Broome County Sheriff’s Office for an application.
