Contaminated Soil	Call for pricing	\$5 min	Must be tested and/or meet New York State specifications. A letter permitting landfill disposal can be acquired by calling 607-763-4036. The hauler needs a valid NYSDEC 364 Permit on file with the landfill Scalehouse and a manifest needs to accompany each load.
Friable Asbestos	\$100/ton bagged \$60/ton bulk loads	\$5 min	This must be properly wetted down and double bagged in accordance with New York State regulations. Residents should contact the Landfill at 763-4450 to obtain approval for disposing of the asbestos at the landfill. Friable asbestos is <u>only</u> accepted prior to 1:00 p.m. on Thursdays. If a commercial hauler is being used, a valid NYSDEC 364 Permit needs to be on file with the Landfill Scalehouse, and a manifest must accompany each load.
Non-Friable Asbestos	\$55/ton	\$5 min	This needs to be separated from other wastes. Notify the Scale Operator that the material being disposed of is Non-Friable Asbestos.
Auto Fluids - Oil/Transmission, Brake Fluid & Antifreeze	No Charge Max of 10 gal per person per day		DO NOT contaminate with any other fluid such as gasoline. Do not mix oil with other fluids. Do not mix antifreeze with other fluids. Auto fluid that is contaminated should be disposed of at the Hazardous Waste Facility. Motor oil can be brought to any auto service center.
Batteries - Household or Auto	No Charge		All dry-cell batteries included. Single-use, rechargeable and button type batteries are accepted. Car batteries and other wet-cell batteries are accepted. Car batteries may also be recycled at the place of purchase.

HAZARDOUS WASTE RECYCLING

Broome County has a year-round hazardous waste collection facility at the Broome County Landfill. Businesses must make an appointment to bring waste to the facility. There is no fee for Broome County Residents to bring hazardous waste on designated days only. Residents will be charged a \$5 fee on all non-designated collection days. Tioga County Residents may participate on designated days in April through November only. Paint is accepted anytime from Broome County Residents during normal business hours at no charge. Empty and dry latex paint cans can go in your normal garbage.

Hazardous Waste Accepted: Solvents, cleaners, fertilizer, pesticides, pool chemicals, auto fluids, etc.

Broome County Residents: Visit www.gobroomecounty.com/solidwaste or call 778-2250

Tioga County Residents: Visit www.gobroomecounty.com/solidwaste or call 800-927-2323

All Businesses: that produce less than 220 pounds of hazardous waste

(or 2.2 pounds of acutely hazardous waste) per month must acquire a permit. For more info call 763-4305

ELECTRONICS RECYCLING

Electronics are accepted for free at the Broome County Landfill from Broome County Residents.

Electronics Accepted: Monitors (max 3), printers, CPU's, televisions (max 3), VCR's, stereos, laptops, keyboards, two-way radios and fax machines.

New York State Department of Environmental Conservation.

PRINTED ON 100% POST-CONSUMER RECYCLED PAPER

PERMIT INFORMATION

Commercial customers must obtain a permit issued by the landfill. Permits are for one year (July 1-June 30) and are prorated on a per month basis for the remainder of the year. The application fee is \$55, plus \$30 per vehicle. Call 763-4450 for more info.

GIVE BACK PROGRAM & ECO-CENTER

Materials such as compost and wood pallets are available at no cost to residents while supplies last starting in the Spring.

Free reusable construction materials are available for residential use at our Eco-Center. Residents and Businesses may drop off any salvaged building materials at the eco center for no fee. These materials can include doors, windows, sheetrock, lumber or plywood.

RECYCLABLES

There is no charge for dropping off residential recyclables at the landfill. Recyclables must be separated from other wastes.

Acceptable recyclables should always be clean of food or other contaminants

Paper (books, newspaper, magazines, junk mail, milk/juice cartons)
Cardboard (corrugated or single layer)
Plastic (food & beverage containers, detergent, beauty products)
Aluminum & Tin (food cans, pots & pans)
Glass (bottles & jars)
