HOW DO I FIND MY BUS ROUTE?

- See the system map on the reverse side and identify potential bus routes near your starting point and destination.
- Bus routes are identified by number and name. Each route has its own schedule showing a detailed map and service times.
- You may also use our trip planner found on our website <https://gobroomecounty.com/transit>

HOW DO I READ THE BUS SCHEDULE?

1. MAP YOUR ROUTE:

- On each bus schedule map, find your beginning and end points.
- The heavy black line is the bus route. Bus stops are typically found where you see side streets. Block letters are time-point markers.
- Trace your route and find your direction. You are going outbound if the block letters are going in alphabetical order (A, B, C) and inbound if the letters are going in reverse alphabetical order (C, B, A).

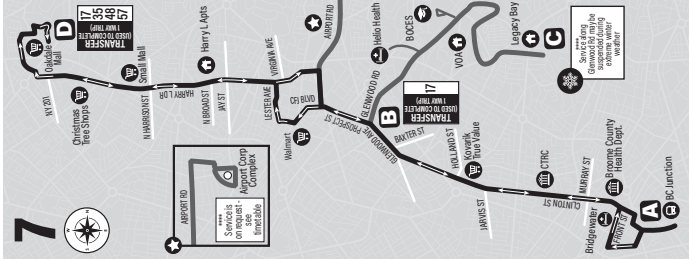

2. LOOK AT THE TIMETABLE:

- Choose Monday-Friday, Saturday or Sunday service.
- Know your travel direction. Most timetables are divided between outbound (A, B, C) and inbound (C, B, A) sections.
- If you need to arrive at a place at a certain time, start with your destination. Read in reverse order back to your beginning point to know when your bus comes.

AM I GOING INBOUND OR OUTBOUND?

- Trace your route. If you see the letters are going in alphabetical order (A, B, C), then you are going outbound. If you see the letters going in reverse alphabetical order (C, B, A), you are going inbound.

Match the time point letters on the map to those on the timetable. The timetable shows when the bus leaves each time point along the route.

If your stop is between time points estimate when the bus comes based on the earlier time.

7 MONDAY-FRIDAY INBOUND				
Oakdale Mall	Prospect/ Glenwood	BC Junction		
<b>D</b>	<b>B</b>	<b>A</b>		
6:00	W	6:10	6:30	7
7:10	W	7:20	7:40	12
7:50	A	8:00	8:20	12
8:30	W	8:40	9:00	12
9:10	W	9:20	9:40	12
9:50	W	10:00	10:20	12
10:30	W	10:40	11:00	12

**Tip:** On most maps, bus stops are typically located where you see side streets.

**Note:** Some routes will have flag stops allowing you to board and exit the bus at safe locations on request without a posted bus stop sign.

HOW DO I TAKE THE BUS?

- Arrive at your bus stop at least 5 minutes before the bus is due to pick you up.
- When the bus comes, be sure the destination signs on the bus matches your route.
- Signal your intent to ride. Wave a light or a reflective device during early morning, evening, or night travel.
- Wait for others to exit. Board the bus at the front door and pay your fare.

HOW DO I PAY MY FARE?

- Insert US bills or coins in the designated slots or use a bus pass. We accept \$1, \$5, \$10, and \$20.
- A change card is issued if you pay more than the requested fare. This can be used for your next ride. We do not issue cash refunds for change cards.
- Use our GoPass or GoPass app for a fast, convenient way to pay.

HOW DO I USE A TRANSFER TICKET?

- If you need another route to complete your trip, ask for a transfer ticket. You may only request one if you pay cash or use a ride card.
- You may use a transfer ticket only at transfer points. You may not transfer to another bus on the same route, whether it's the same or opposite direction.

HOW DO I GET OFF THE BUS?

- Pull the yellow cord or push the yellow touch strip as you get near your destination.
- Exit via the rear doors unless instructed differently by the driver.

For your safety: Cross the street behind the bus. As the bus moves away, you will have a better view of traffic and other potential hazards.

ARE BUSES ACCESSIBLE?

- Our buses are ADA accessible and can accommodate two wheelchair riders.
- Any passenger may request that the Coach Operator lower the kneeler or ramp.
- Drivers are required to announce arrival at major bus stops along the route.
- Service animals are welcome.
